Whodunnit?

The A-L-E-R-T-S reporting format was developed by US Army Tactical Intelligence expert Lieutenant Colonel Neil Garra, with the invaluable help of the Senior Dispatcher for the Sierra Vista Police Department, Ms Molly Schmidt.

Two Sierra Vista businesses, Olde Tyme Printing and Design and The S2 Company, partnered to design and produce the initial batch of ALERTS cards.

This presentation was developed by Lieutenant Colonel Neil Garra, US Army, retired.

When in doubt... Report It!!
